MAKE A DIFFERENCE – BECOME A FOSTER CARER

Pathway Care, a local independent foster agency, is appealing to Cambridge residents looking to put something back into the community to consider becoming a foster carer.

Care East England region, commented: "Being a foster carer can be challenging work, but with it can come great satisfaction. In the UK there is an estimated shortage of 10,000 foster carers and it is very important to address this and get these children back into mainstream society."

"Foster carers come from all walks of life. Some possess transferable skills gained from a variety of work ranging from caring for the elderly, or people with disabilities, teaching assistants, retired police officers or coming from a background in the armed services. Others have enjoyed a very good life and want to improve the lives of others less fortunate than themselves."

"Here at Pathway Care, we have experienced staff who will support you all the way and provide ongoing training." If you think fostering could be for you, please contact our enquiry team on 0871 2263760, or visit our website to find out more: www.pathwaycare.com

Open Gardens

Ten gardens in Bar Hill will be open to visitors on Sunday 27 June, from 1 to 6 pm. This is an informal event intended for village residents and their friends. Teas and cold drinks will be available, plants and books will be on sale, and there will be a children's competition.

- ❖ 78 Foxhollow
- ❖ 9 Pheasant Rise
- ❖ 67 Little Meadow

The money raised will go to Botton Village, a community in the North York Moors established by the Camphill Village Trust. Dear Editor

I would like to thank all residents who gave me their vote in the recent election. I am extremely grateful that you showed me such tremendous support and I am delighted to be given the opportunity to serve as your District Councillor for another four years. I will work hard to represent your interests at the District level. I believe that we at South Cambs District Council should see that efficient and effective services are provided and directed towards improving your quality of life and making the Council more responsive to your needs.

I would like to add to residents who voted differently, I am elected to serve everyone so please don't hesitate to contact me if I can be of any help.

Best wishes

Dear Editor

I would like to thank all those who voted for me in the District Council election. Given the make up of the new District Council (Conservative majority of one) my reasons for standing are even more valid. I hope that our Councillors now show some maturity and common sense, forget their political differences, and work together for the benefit of the good folk of South Cambridgeshire.

Dear Editor

I travel a great deal around Buckinghamshire and am always impressed at how well farmers look after their hedges. I feel that one or two local farmers could benefit from seeing how hedges should be looked after. Many of the hedges surrounding several fields, previously set-aside for many years but now currently being farmed around Bar Hill, have been hacked at very unprofessionally, leaving unsightly masses of dead branches lying in piles (possible fire hazards)? Large gaps have appeared where hedges have been ripped out and just left to rot.

Birds and other wild creatures depend on these hedgerows for food and protection, but do the farmers care?

Perhaps it was the fact that residents used to enjoy picking blackberries from these now non-existent hedges that upset the farmers?

It would be interesting to know the reason why these hedgerows have been treated in such a cavalier fashion.

FRIENDS OF BAR HILL LIBRARY

Time to talk in June

The next coffee morning will be on **3 June in the Library**, starting at 10 am as usual. We were delighted by the May turnout in support of our Sit Down and Be Counted campaign. Thank you to all who came. Come along and sign our record sheet in June to show you care about your Library.

And please take note that the **July coffee morning** is on the first day of that month.

Time to buy in June

The Friends will be having a stall at the **Community Market in the Octagon on 5 June**, from 10.30 am to 12.30 pm. We shall not be able to have a stall at the Village Fête this year.

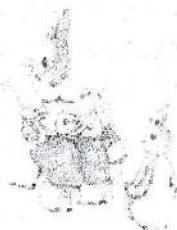

In case you are wondering, we do not sell library books, but books kindly donated to the Library. Many of those go onto the shelves. Those that are not needed by the Library come to us to help our funds. Also on sale will be some books that the Reading Circles no longer need. All of them will be excellent value for money.

Time to listen in June

Our next illustrated talk will be held in the Library on **23 June**, starting at 7 pm. We have a return visit from Alan Maskell of the Blue Cross in Cambridge.

This time he will be talking not about cats but about another great interest of his: **Beatrix Potter**. Best known as the writer and illustrator of twenty-three children's books, she was also a farmer and conservationist. Tickets are available from the Library at modest prices, with worthwhile concessions for Friends.

You are recommended to buy in advance as all the tickets for our previous talk were sold.

BAR HILL SCHOOL

June at Bar Hill School sees us saying goodbye to SAT's and assessment and hello to a wide range of activities.

Bike It! We have been selected to take part in this project and are one of only 9 schools in Cambridge to become a

Sustrans Bike It school. A representative of the scheme has been working closely with pupils, staff and parents to encourage safer cycling and promoting a pro-cycling culture. Years 5 & 6 took part in a 'Bike to School Breakfast' week and all Key Stage 2 will be learning how to maintain their bikes. We are hoping to access funding to provide more cycle racks or shelters so that more pupils will be able to cycle to school.

As current holders of the British Council International Award we will be holding an International Week between the 7th and 11th of June. Each area will be focussing on a different country and will be learning about various aspects of life related to that country, including food, clothing and traditions. We also intend to have an internationally themed menus with dishes from a different country each day. The International Week coincides with the beginning of our new topic Understanding English, Communication and Languages.

Our sponsored event this year is spelling in Key Stage 1 and maths in Key Stage 2. The children will soon be bringing home lists of words to spell or times tables and I'm sure they will be looking forward to learning them! June also sees lots of outdoor activities including Sports Day for Key Stage 1, Year 4 and Year 5 taking part in mini-Olympics and school trips for Year 6 and Reception. Key Stage 2 Sports Day will be in early July.

And finally, the Citizenship Group will be holding a Community Fayre in July. Further details in the school newsletter which is available on our website: www.barhillschool.co.uk

RESIDENTS' ASSOCIATION

Interested residents are always welcome at our meetings which are normally held on the second Monday of the month in the Parish Council Office at 8 pm. The next meeting will be on 14 June.

Win for Raiders ... and a trophy!

Bar Hill Raiders were invited to play in the Chris Fordham Memorial Match against Division D Bottisham. The Raiders started well, just two minutes in some great running meant that Maill Afaal arrived in the box just at the right moment to finish off a fluid passing move. Six minutes later a similar move saw Joseph Andrews arrive from the right wing to fire past the Bottisham keeper. Bottisham defended well and made the Raiders try some speculative shots from distance. On thirty-one minutes Josh Davies burst through the middle of the Bottisham defence and was able to pick his spot to beat the keeper. From

the start of the second half the Raiders continued to press forward with striker Adam Brown impressing with some runs through the Bottisham defence but after seventeen minutes Bottisham got one back. The rest of the match continued in the same vein with goalkeeper Jacob Curry rarely troubled. The final whistle sounded to a big cheer from the Bar Hill contingent who stayed on to see the Raiders receive their trophy and individual mementoes. An extra bonus was Jamie Watkins being awarded with a Man of the Match plaque.

Football Festival for the Foxes

The U7's took part in this annual Football Festival, over two weekends, in May. In their first game against Whittlesford, Bar Hill edged a close game 1-0 with Miles Harvey playing his first game in goal who made some great saves. Kieran Marsh did well breaking up the attacks and produced some moments of magic on the ball. A good performance at the other end from Thomas Cheesley helped Reece Flatts score a well deserved goal to take the game. The second game, against Ellesmere, was another close affair. John Cornwell scored the first goal and some good forward runs from Ollie Andrews and battling in midfield from Charlie Parker helped keep Bar Hill on top. The winner came after a fine solo run by Nik Ayhaee from his own half to shot past the goalkeeper. Bar Hill sadly lost 3-1 to Ellesmere but won 2-0 against Whittlesford to cap a great first weekends' football from the Foxes.

Rangers Finish on a High

The beginning of the 09/10 season seemed a long time ago for the Under 14s. Bar Hill immediately applied pressure and Ashley Skelton found Matt Childs who shot just wide. Four minutes later Ben Lorraine crossed to Johnny Clarke Hassell who slotted home to make it 1-0. Luke Thomas had a cracking shot just turned over the bar and on 25 minutes Tom Clark had a shot which the Burwell keeper only just held. On 27 minutes Matt Childs hit the post and Ryan Patten picked up the rebound to make it 2-0 at half time. The start of the second half saw three Bar Hill goals in 5 minutes. First Ellis Lenton played a lovely ball through to Ryan Patten to make it 3-0. Then Ashley's corner found Ryan's head, 4-0. Matt then buried a penalty which Burwell's keeper never even saw coming. Two goals back for Burwell, made it 5-2. On 30 minutes Dan Paine picked up a quick throw from Ryan and shot just over. So the Under 14s finished a very good season on a high showing just how far they have come as a team. Man of the Match; Ryan Patten

Draw for Raiders

Following a tough season in division A, the Raiders accepted an invitation to play Linton Aztecs in a friendly. The first half was dominated by the Raiders playing some good passing football. After 17 minutes their pressure was rewarded by Billy Pridgeon scoring with a thunderous free kick. Eight minutes later Joseph Andrews finished off a good passing move through the Aztecs defence to leave the field at half time 2-0 up. It was good to see the smiles on the faces of players, coaches and parents. Four minutes into the second half Linton scored with an own goal then levelled following a deep run through the middle of the Raiders defence. Six minutes later Adam Brown restored the lead with a brilliant solo goal. He beat three players before finding the corner of the Aztecs net. The jubilation however lasted only five minutes before the Raiders once again gifted the Aztecs an own goal. The final 20 minutes saw chances for both sides including a Joseph Andrews effort that was stopped on the line by the keeper. The final whistle signalled a 3-3 draw.

HAPPY HOURS

May is the month we started our "summer" menus of salads. Could someone please tell the weatherman that means sunshine and warmth not these cold north east winds.

Our raffle last month raised £50 for Magpas and our speaker, Arthur Brookes from the American Cemetery, gave a very interesting talk and slide display. It's amazing the information they have on members of the forces and some civilians, often given by family who visit the cemetery.

It's sad to report our founder member, Phyllis James, has had a nasty fall and broken her arm. All our best wishes go to her for a speedy recovery.

Some members went on a holiday to Southport - a lovely Victorian town with many original features and some beautiful buildings. We didn't get to see the sea even from the end of the three-quarters-of-a-mile pier - just a vast expanse of sand. We had a lovely sunny day at Skipton with a 3-hour trip on the Liverpool/Leeds Canal including lunch, swing bridges, a beautiful bluebell wood and views to die for. A second trip we went on was to Bury where they have a huge market, indoor and out.

Our speaker this month will be from the Bobby Scheme. Our Parish Plan for the future we think will be "to be here" and hope it's a healthy and active one.

HOW IS THE PARISH COUNCIL SPENDING THE MONEY?

You will remember that I have asked residents to give the Parish Council suggestions about how to spend some of the rental income from The Willows. The Council has decided on the following 4 projects:

- 1 purchase of a one-man gritting machine to help keep the spine paths free from ice
 - 2 planting of more trees and bulbs/flowers around the village
 - 3 paving the area outside the Council office. At the moment it belongs to Tesco but they have agreed to give us a licence for it so that we can make it more attractive.
 - 4 some work on Viking Way which will include a small amount of traffic calming in the hope that it will deter large lorries from parking there.
- The first 3 items were suggested by residents and I would like to thank, once again, all those residents who replied to my request.

For all you regular walkers out there

The County Council has produced a Countryside Access Map entitled "Walks and Rides around the Northstowe Hundred". A very interesting history of the local countryside and lots of pleasant walks and bike rides for you enthusiasts. If you would like a map please call in to the office as I have been given a substantial supply.

Dog Fouling

Once again, I have had many residents complaining that dog owners are not clearing up after their dogs, especially on the village green. This is an area for everybody to enjoy so please pick up after your dogs.

Police Surgery

Now that we have a new PCSO, the surgeries will resume on the **third Wednesday of every month** between 10 am and midday. If you have any concerns please come along and meet the PCSO, who will be happy to help.

Lost and Found

I have various sets of keys that have been handed in and still have the MP3 Player that was found close to Acorn Avenue and Foxhol-low. Also a watch was found over the last few weeks. Please visit the office if you think any of these items may belong to you.

Tesco Stores

After receiving complaints from several residents living in Gladeside and Robin Close about Tesco having their car park cleaned and litter picked as early as 2 am I wrote directly to head office and have now been informed that they will only hand litter pick at this time and the motorised vehicles will not start litter picking until 6am. I trust that the residents concerned will now be able to have a good night's sleep.

Parking

Once again this has become an issue of concern, especially in the Otter Close/Gardens area. I am appealing to those of you who own more than one vehicle to please use the garage that you have provided with your property, or at least park outside your own garage and not in front of the drives of other residents.

Parish Council Meetings

The next monthly Parish Council meeting will be on Thursday **17 June at 7 pm** in the Parish Council Office and all members of the public are welcome to attend.

CRICKET CLUB

We've had a frustrating start to the season, with rain and opponents canceling matches meaning appearances have been limited. At the time of writing, all three teams have played only one match each, sadly all resulting in defeat.

The firsts' defeat was at the hands of Cambridge Granta III, despite Pip Dickinson taking 4 for 33. **Martin Cullum** also took his 200th wicket for the club in that match.

Meanwhile, **David Fletcher's** innings of 56 not out was also in vain as the seconds lost their first league match at Milton III.

And completing a trio of good personal performances, **Nathan Dean** took 5 for 25 as the third team lost their first outing against Bottisham/Lode II.

The seconds at least had the consolation of being given 20 points when Needingworth II defaulted their match.

The only other action was in pre-season matches against Huntingdon, when **Neal Suckling** and **Ahmed Afaal** took three wickets each, and Girton, a match Bar Hill won thanks to three wickets from **Craig Driver** and an innings of 57 from Dickinson.

Unfortunately, we had to pull out of the under-13s league due to lack of numbers, and Tuesday youth training nights are not currently taking place, but if demand picks up, we will hopefully restart the sessions. Please contact me on the number below if you are interested.

Adult nets will take place every **Wednesday** at Cottenham Village College between 6.30 and 8pm.

In the month ahead, look out for the **chairman's challenge**, when the cricket club will take on a social club team on **June 20**.

And, looking ahead to the village fete, we will once again be pleased to meet your gourmet burger and sausage needs at our barbecue.

Finally, a few thank yous – to Andy Kent and Andy at Swavesey Mowers for servicing our groundkeeping equipment, and to Karl Konradt for a kind donation of sawdust, which will come in very handy in a typical British summer!

For more information about all our activities, visit www.barhillcricket.org.uk or call me on the number below.

Upcoming fixtures at the village green:

- Sat June 5: Milton III (second XI, league)
- Sat June 12: Barlcy (first XI, league)
- Sun June 13: The Dohblers (friendly)
- Sat June 19: Dullingham II (second XI, league)
- Sun June 20: Chairman's Challenge (friendly)
- Sat June 26: Cambourne (first XI, league)

How energy hungry is your home?

In the last 35 years or so, our electricity consumption has gone up a staggering 70% and our homes produce over a quarter of the UK's CO2 emissions.

With the UK's reserves running out, the cost of this energy is going up and up. We urgently need to reduce our energy consumption and bills.

But what appliances use the most energy in the home?

What's your wattage?:

Low-energy light bulb	11	Iron	1,000
Conventional light bulb	100	Dishwasher	1,000
Stereo	100	Wash/machine	1,200
Television	100	Cooker ring	1,300
Refrigerator	125	Fan heater	2,000
Computer	150	Oven	2,150
Freezer	300	Kettle	2,250
Hairdryer	750	Immer/heater	3,000
Microwave	750	Electric shower	8,000
Vacuum cleaner	800	Cooker (all on)	11,500
Toaster	1,000		

(these are approximate, check appliance for exact figures)

Here are some tips to minimise your appliances energy usage:

☺ Only boil the amount of water you need – whether it be in the kettle for your cuppa, or the amount you use to cook your vegetables

☺ Put a lid on the pan when cooking

☺ Invest in a slow-cooker. Over the course of the day it uses little more power than a conventional light bulb

☺ When you buy a new appliance look for the Energy Saving Recommended label and the European Union energy label, coded A to G (A being the most energy efficient) for fridges & freezers they have A++, A+ categories!

☺ Turn down the temperature of your hot water system to around 60°C/140°F. Why waste energy having it so high that you need to add cold water!

☺ An electric immersion heater costs about 30p an hour, so just turn it on 30 minutes before you use it and turn it off when you are finished

Apology

ADVERTISING

All matters relating to advertising should be addressed to the Advertising Co-ordinator (see above - email to bunty.waters@ntlworld.com)

¼ page adverts cost £14.50 per month and must be submitted by the 1st of the month prior to inclusion.

Maxi ads (£8.25 per month) and Mini ads (£5 per month) should be submitted by 15th of the month prior to their inclusion.

Sizes: Maxi 6 x 4.5 cm-9 x 6 cm. Mini 6 x 2 cm- 6 x 4 cm.

The ¼ page ads are for local businesses and we guarantee publication. This often results in a waiting list and, to help overcome this problem, we provide maxi and mini ads. These appear throughout the publication and we cannot guarantee their inclusion due to restrictions of space.

EDITORIAL

There is no charge for Articles, What's On, For Sale and Lost and Found, and these appear at the Editor's discretion. Please submit items by 15th of the month.
